BACKGROUND

As an affiliate of Keep America Beautiful (Keep North Miami Beautiful), the City submitted an application to Keep America Beautiful / UPS Foundation Community Tree and Recover Planting grant in the amount of \$5,000 with no required match. The requested funds will be used to plant trees in deficient planting sites identified in the Street Tree Management Plan, to address the impacts of climate change and increase shade to promote walkability. Trees will be purchased and planted in strategic locations, such as swale areas along stretches of vacant high pedestrian traffic areas, areas to create shade onto properties, neighborhood medians, and in priority areas to fill gaps in the urban tree canopy to provide aesthetic value and environmental benefits to properties.
